The Woman Who Must Have the Best**Can, at Parsons-Souders, Get****A \$35 or \$40 "System" Suit****At \$26.25****If She is One of the First of 25****Women Who Call for Them**

Suits whose very high tailoring and exceptional fabrics bring them up to the \$35 and \$40 plane are not made in large numbers. Therefore it is distinctly unusual that we are able to offer at a special price

25 of the Finest Suits Made in America

Nineteen of the Suits are of standard \$35 grade, and six are of standard \$40 grade; all are our standard Parsons-Souders System tailoring—*It is rare indeed to find them at so low a price*; the fabrics are unfinished worsteds, fine diagonals and English Suitings, in black, blues and grays. In style they are semi-fitting and form fitted coats 30 inches long, winter weights, for all year round wear.

All are Perfectly Tailored, Richly**Lined in Plain Custom Made Styles**

They are Suits whose value it is easy to appreciate. You have but to pick one of them up to know that the fabric as well as the tailoring is the best, equal to finest custom work. There's not all sizes, but the woman who gets one to fit her—and that's not so hard to do—gets a prize indeed. (Suit Store).

300 Pieces Muslin Underwear In the Jan'y**Sale at HALF PRICE****A cleaning up of all oddments, mostly mussed from display but not hurt in any way**

The question arose with us a few days ago as to whether we should continue selling Muslin wear at 20 per cent off—that is all of it, or assort out all the mussed garments caused by handling and display, get them away from the rest and offer them low enough to make an immediate clearance. This we have done, so there's chance this week of about 300 Under Muslins at HALF PRICE.

Consisting of Gowns, Drawers, Corset Covers, Long and Short Skirts and Combinations.**At 39c--300 yards 27 inch Flouncings****usually sold at 75c to \$1.25**
